

**Holy Family RC Primary School**

**Sports Premium Spend 2016-17**

For 2016-17, the school has been allocated £8 890 sports premium in order to promote engagement in sport to promote healthy lifestyles.

It is intended to use the funding to further enhance our provision to provide

Provision	Cost	Aim	Impact
Proportion of cost for gymnastics/dance lessons for all children across the school (4 hours per week)	£6,800	Children to gain further confidence in engaging in sport and gain new skills. For teaching staff, working alongside specialist teacher to improve own skills, which will add to better provision in school.	Staff skills have improved due to the input of specialised teachers which is resulting in improving PE lessons and the development of the pupils' skills.
Resources for playground and workshops to promote activity (e.g children's skipping day)	£1500	Children engage more actively at play times – developing fitness levels and encouraging activity to prevent obesity. To appoint sports leaders and train midday staff on leading activities and promoting inclusion.	Skipping workshop was enjoyed by all pupils. A child and parent skipping workshop was held which was well attended and supported the development of building links with families. Improved behaviour at lunchtimes. Children engaged in activities which support fitness and the development of social skills.
A visit from an Olympian	£595	To raise children's aspirations.	Children had the opportunity to try and observe Marshall Arts broadening their experience of sport.
Rewards for the Daily Mile	£350	To celebrate children's achievements and promote healthy living.	Improved fitness levels and provided the opportunity to develop social skills. Improved concentration in lessons.
