

### Sports Premium Spend 2015-16

For 2015-16, the school was allocated £8 840 sports premium in order to promote engagement in sport to promote healthy lifestyles.

It is intended to use the funding to further enhance our provision to provide  
(Planned September 2015)

Provision	Cost	Aim:	Impact- assessed July 2016
Proportion of cost for gymnastics/dance lessons for all children across the school (4 hours per week)	£6,800	Children to gain further confidence in engaging in sport and gain new skills. For teaching staff, working alongside specialist teacher to improve own skills, which will add to better provision in school.	<p>'Drop in' monitoring by Headteacher and sports co-ordinator identified:</p> <ul style="list-style-type: none"> <li>▪ Rapid improvement in children's skills across the year with clear progression across year groups.</li> <li>▪ Teachers gaining confidence and demonstrating improved teaching and assessment skills.</li> <li>▪ Children more active at lunchtimes with specialist teacher providing 'Flash' dance music in playground during lunchtimes. Monitoring identified majority of children taking part are PP children or vulnerable children, including those who are classified as obese (non threatening, non competitive context is encouraging participation) Also children using skills learned in lessons to create own dance routines during recreation times.</li> </ul> <p><b>Next Steps:</b></p> <ol style="list-style-type: none"> <li>1. Teachers to be more involved in planning and evaluating lessons</li> <li>2. Teachers skills audited to provide more targeted approach to providing CPD (ie. not just dance and gymnastics) to include generic P.E. teaching skills.</li> </ol>
Resources for playground games and contribution to cost of sports coach for lunch times	£1240	Children engage more actively at play times – developing fitness levels and encouraging activity to prevent obesity.	Monitoring by headteacher and sports co-ordinator identify almost all children active during recreation times. Children observed playing games independently when coaches not present, suggesting good impact on children engaging voluntarily in sporting activities.
Provision of after school sporting clubs and cost of transport to competitions	£800	To encourage children to voluntarily engage in sporting activities and to explore the links between enjoying sport and developing healthy lifestyles.	Number of after school clubs increased- including gardening, dance, multiskills, football and social club- all well attended by children I both key stages. Numbers attending improved on previous year.

			<p>Competitions attended included: football, water polo, swimming gala, ability roadshow( for children with additional needs)</p> <p><b>Next steps:</b></p> <ol style="list-style-type: none"><li>1. Increase further provision and engagement.</li><li>2. Work towards gaining silver award to motivate and benchmark provision.</li></ol>
