

## Literacy

### Fiction

We will be writing our own fantasy adventure stories and we will write a complete story with a beginning, middle and end, based on our science topic 'animals'.

### Non Fiction

We are going to look in non-fiction books to find information and write our own fact file about animals. We will also write a recount based on our summer school trip.

## Art

This term we will explore pattern, space and painting within the theme of animals. We will use different media such as pastels, paints and watercolours.

### DT:

Within our topic of everyday materials, we will explore texture and sculpture and look at the work of Anthony Gormley.

## Religion

### Holidays & Holydays

**Being Sorry** - God helps us to choose well. God forgives us.

**Neighbours** - Everyone is our neighbour and is loved by God. We share God's world.

## Maths

This term will include:

Place value (within 50)

Counting in multiples of 2, 5 and 10

Measurement: length and height/weight and volume

Multiplication and division

Fractions

Place value (within 100)

Money

Time

Year 1

Summer Term

Miss Makin

**PE: Team Games** including running, jumping, hopping, skipping, throwing, catching, rolling/bowling, bouncing, kicking, striking and travelling with the ball.

## PHSCE

We will explore relationships including friendships and how it is ok to sometimes be sad/angry.

## Science

**Everyday materials:** We will identify and name different materials. We will investigate each material and its physical properties.

**Animals:** We will identify and name a variety of common animals and describe and compare their body structures. We will also learn which animals are nocturnal and which animals are omnivore, herbivore and carnivore.

## Geography

We will be learning about hot and cold places of the world. We will explore Tropical Rainforests, Deserts and Arctic/Antarctica.

## History

We will be looking at Charles Darwin and transport through the ages. Also, Christopher Columbus and the first aeroplane flight.

## Music

We have a visiting music teacher who comes into school once a week to deliver music.

**Computing** - is delivered through all subjects, especially 'Digital research'.

### Sounds:

We will use the play, stop and record buttons.

### E-communication:

We will understand the different ways of sending a message; Know what to do and who to tell if see something shouldn't on the screen; Know what to do and who to tell if feel unsafe using a computer.
